HOW TO MEASURE YOUR RING SIZE

STEP 1

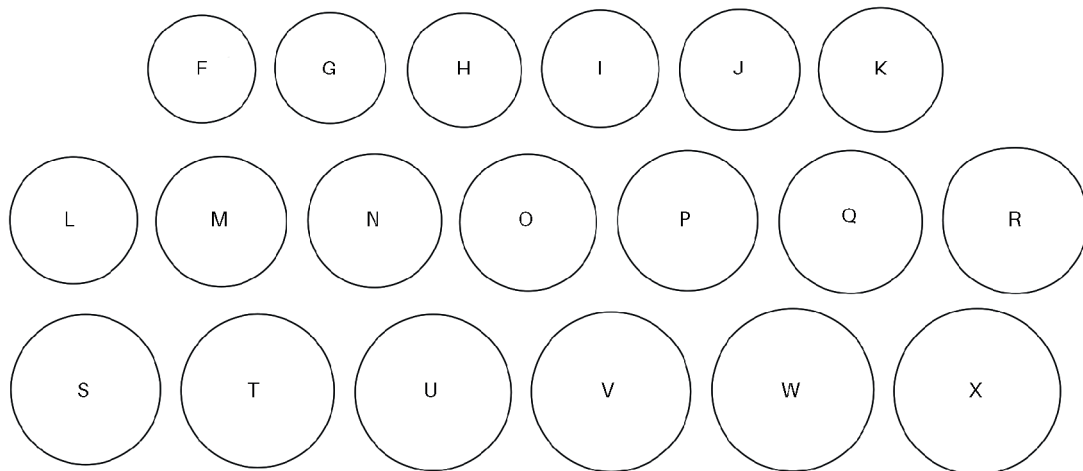

Print this guide with standard A4 printer paper & make sure it is printed "Actual Size".
Ensure the line below measures 5cm.

5cm

STEP 2

Measure an Existing Ring

Select a rings that fits the finger to be sized & place it over the circles below.
Check your ring against each size until the inside circumference lines up perfectly.

Please note: This chart is to be used as a guide only, sizes may vary based on band width, shape of the finger, or even whether your fingers are hot or cold.

All of your jewellery is made by hand - there can be slight size differences based on the style of the ring.
